Complete Connectivity

So many ways to connect. A full line-up for ports brings you the complete connectivity you need in today's working environment. Plug in all your devices like, laptops, desktops and tablets and connect your USB hub to the USB 3.0 port for easier access to small or personal electronics.

Fresh Eyes Achieve More

Protected eyes stay focused through the whole shift. Advanced eye comfort technology reduces eye strain for heightened concentration and greater productivity. Flicker Free technology continuously removes tiring and irritating screen flicker, while Eye Saver Mode minimises blue light emissions.

Tailored to Your Use

Superior design for the ultimate in everyday versatility. The height-adjustable monitor swivels, tilts and pivots for you to see your work any way you want. The sleek and clean design adds a touch of style to your office interior and is VESA-compatible for easy installation.

Energy-Saving Display

Smart Eco Saving technology achieves power-consumption reductions of up to 10% while still maintaining picture quality. It adjusts the brightness of the screen's black sections while simultaneously adjusting the RGB gain values, so the screen looks just as bright as you remember.
